**Legacy Walk**

**Commemorative Paver Program**

*Legacy Walk* is your opportunity to show your support for UCSD Jacobs School of Engineering. We invite you to purchase an elegant bluestone paver to be included in the walkway that traverses the Engineering Courtyard on the UCSD campus.

Your gift helps us continue to fulfill our mission of educating tomorrow’s technology leaders and seeking discoveries and innovations that benefit society.

*Students, faculty, alumni and visitors will enjoy *Legacy Walk* for generations to come.*

**The Perfect Gift**

Your paver can be engraved with a name or personalized message. It is a unique and permanent way to celebrate a special occasion, remember a loved one, recognize an employee, or give an unforgettable gift.

*Espartaco Hidalgo ’94 purchased five pavers to recognize his most inspiring professors.*
