

THE STUDENT SUCCESS CENTER PRESENTS

# TEACHING STUDENTS OF COLOR IN STEM

## PANELISTS

Dr. R. Sekhar Chivukula  
Physics

Asst. Prof. Dontarie Stallings  
Chemistry & Biochemistry

Assoc. Prof. Jelena Bradic  
Mathematics

Prof. Ioana Dumitriu  
Mathematics

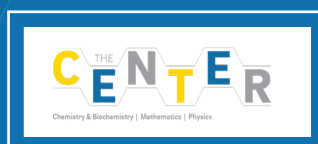

Asst. Prof. Tod Pascal  
Materials Science &  
Engineering

## Workshop #3 of "Woke" Series

**July 31, 2020**  
**2:15 PM**

This webinar will provide students with best practices for supporting and teaching students of color in STEM. Students will hear from a panel of UC San Diego faculty members in the Jacobs School of Engineering and Physical Sciences who will provide insight on teaching students of color in STEM. Students will have the opportunity to ask questions
